**Our ref.: DAB-LLK-CC0001**

**Your ref.:**

**Subject: DANIELI approval of LUKOIL company products**

The present to confirm that we prove compliance of:

- LUKOIL Hydraulic Fluides –LUKOIL GEYSER ST series – HLP and
- LUKOIL Industrial Transmission Lubricants – LUKOIL STEELO series – CLP

with DANIELI Standard Nr. 0.000.001 - Classification of Lubricants Oils - Fire-Resistant Hydraulic Fluids - Greases .

These products would be included in the next issue of the above mentioned Standard and can be used in DANIELI equipment according to the operation and maintenance manuals.

Best Regards

**Roberto Leita**
